The Most Beautiful Car in America.

IN beauty of design the New Series 6-44 five passenger touring car is unsurpassed by the most expensive cars on the market, yet the new reduced price is only \$1465.

With a wheel base of 119 inches, equipped with a highly refined and perfected engine of 50 horse power, and representing the last word in six cylinder engineering, this car is a remarkable example of what exceptional experience and great resources can accomplish under present day conditions.

This Paige gives you all the merits of a soundly designed and standard six-cylinder chassis with those added refinements and appointments of today that make this a car out of the ordinary.

See it for yourself-ride in it-and you will know why the Paige is known as the car for the discriminating judge of motor car values.
